Teddy is a small Sheltie Collie who slipped his collar and ran away on Friday night, July 1. He escaped in the vicinity of Singing Woods Drive off East Lake Road in Skaneateles, NY.

Teddy is very timid and frightens easily. He was spooked by the sound of 4th of July fireworks. He ran into the nearby woods and is hiding. So far, we have been unable to coax him out. He may be wandering and may show up in a back yard or along a pasture or hedgerow.

Teddy is the sole companion of our mother (who is currently in hospital). **We've got to find him.** If you've seen Teddy or know someone who has seen him, PLEASE call or write.

**IF SEEN DO NOT CHASE. CALL IF SPOTTED.**

If you call and get the answering machine, please leave a message with your name, phone number, and details — we WILL call you back promptly.
